

Reference	
Socket type	Mode 3—IEC 62196 (Type 2)
Input power	Optional (1-3 phases, 16-32 A)
Output power	Optional (3.6, 7.2, 11, 22 kW)
Energy meter	Digital with backlight
RFID user access control	Optional
Communication	Optional (3G, WiFi, Ethernet, OCPP, Elios.It)
LED screen	Integrated
LED status indication	Integrated
Mounting	Ground mounting
Operational temperature	-30 °C to +50 °C
Degree of protection	IP54
Impact resistance	IK10
Vandalism-proof	Yes
Stainless housing	Aluminum
UV resistant	Yes
Certificate	CE
Standard	IEC 61851-1
Charging cable locking	Optional
Overcurrent protection	Integrated
Leakage current protection	Integrated
Weight	35 kg
Dimensions (Width x Height x Depth)	350 x 1370 x 150 mm
Manufacturer	Elinta Charge (Lithuania)
Warranty	24 months
