

Reference	
Plug type	SAE J1772 Type1
Power supply plug	16A CEE
Input power	Optional (1 phase, 16-32 A)
Output power	Optional (3.6, 7.2 kW)
Energy meter	Optional
Communication	Optional (Bluetooth)
LED status indication	Integrated
Operational temperature	-30 °C to +40 °C
Degree of protection	IP65
Vandalism-proof	No
Stainless housing	Plastic
UV resistant	Yes
Certificate	CE
Overcurrent protection	Integrated
Leakage current protection	Integrated
Cable length	5 m
Power supply cable length	0.5 m
Weight	4 kg
Manufacturer	NRG kick (Austria)
Warranty	24 months
